

About Our Organization

The Christian Martial Arts Council is a division of TNT Ministries, Inc. TNT is a 501(c)3 non-profit organization and has been in existence since 1983. CMAC is a faith-based martial arts organization dedicated to serving martial artists in all corners of the world who share a common faith in Jesus Christ.

CMAC is an open martial arts organization offering support to all martial artists regardless of style or system.

CMAC is not a political organization, but rather a ministry reference and support organization for the thousands of faith-based martial artists and schools around the globe.

Our mission is to help Christian martial arts schools and practitioners better (and openly) incorporate their faith into the teaching and practice of the martial arts, and to use this medium to evangelize the lost.

CMAC also provides school resources such as charters, rank recognition, and the opportunity for rank advancement for school instructors and their students.

Contributions to the Christian Martial Arts Council (less the cost of goods or services received) are income tax deductible to the extent permitted by law.

Christian Martial Arts Council

Our Mission

The mission of the Christian Martial Arts Council is to bring together and support ALL martial artists who aspire to openly incorporate their faith into their martial arts practice and training.

As a faith-based organization, we believe:

- The Bible is the inerrant Word of God
- In the triune God-head: Father, Son, & Spirit
- In the divine birth, sinless life, death, burial and resurrection of Jesus Christ as the Son of the Living God
- Salvation comes only through confession of sin and acceptance of the substitutionary work of Christ on the Cross.
- We are called to be His disciples, fulfilling the Great Commission of Matthew 28:18-20.

As a martial arts organization, we provide:

- The finest Martial Arts Membership program in the world.
- Regular e-newsletter
- National Training Camp (held yearly)
- National and International Seminar program to provide expert instruction in faith-based martial arts to all members
- Fair promotion system for all martial artists.
- Advancement opportunities for instructors
- Beautiful Membership and Rank Promotion Certificates

As a faith-based organization, our focus is on sharing the love and life of Christ through the medium of the martial arts, and equipping our members with the tools and resources both to evangelize and make disciples of those we have brought to a saving knowledge of Christ.

We welcome the opportunity to teach in your martial arts school or share with your church the valuable ministry of CMAC. Contact our office for details on planning and scheduling seminar or workshop for your school or church.

Certified School Membership

Certified CMAC schools have instructors who are committed to keeping faith at the forefront of their martial arts instruction, and have demonstrated this through the completion of a course of study in discipleship and evangelism training.

Certified schools and instructors are not simply martial artists who are Christians, but Christians who openly evangelize and disciple their students in the Word of God through the medium of the martial arts.

Why Do We Ask For Donations?

CMAC is a division of TNT Ministries, a 501(c)3 non-profit organization, and funds received through its membership go to underwrite the expenses of the ministry.

Many Christian organizations have come and gone over the years, and while well-meaning did not have the financial base to continue to fulfill its mission and provide ongoing resources.

Proceeds above our operating expenses go to support our national CMAC "Kid-Safe" outreach program. This program is an educational effort, through churches and community events, to raise the awareness level of children to the very real threats they face from sexual predators, both online and in their local communities.

CMAC's "Kid-Safe" program serves as a powerful evangelism tool for churches, as parents who won't visit a church on a Sunday will come to a safety event hosted at the church to learn how to protect their children, and this creates a unique opportunity to share the love of Christ to those who don't have a church home.
